In January I attended a Civil Defence emergency planning course at Easingwold, York. Whilst emphasis was placed on the after effects of nuclear war, all aspects of civil defence were covered including those of conventional warfare, also man-made and naturally occurring disasters. In fact the importance of civil defence in peace time was shown recently in Sheffield when an unexploded bomb from World War II was discovered.

I came away from the course feeling that it was very necessary to prepare and have adequate civil defence during peacetime, one of the most important aspects of this is to co-ordinate planning on the community level. Therefore I'm asking any person who may be interested in training and hopefully of establishing some sort of civil defence emergency planning in Bar Hill to contact me.

We were promoted from Division 2b last season where we were runners up. As you can see we have not done too badly so far. We also have a Bar Hill Second team who are in Div. 5b who are also doing very well and if they keep up this good record they could win promotion to Div. 4b. This is the best season the second team have had for a few years.

Sunday 17th March The 1st team played away at Elsworth and had a very good result as it was a very competitive game. It was a local derby and both teams fought hard; the result was a reflection on the game. Elsworth scored in the first half but in the second half the Bar Hill team put up a good fight and with a superb header past the Elsworth keeper made the final score 1 - 1. The 2nd team did well as they beat the second team in the table, Babraham 3-1 at home. A very good win which will boost their promotion hopes. Lets see some of you at the matches each Sunday morning.

PARISH COUNCIL NOTES

YOUTH CLUB

Mrs Cruse reported on a meeting of the Community School Users Association which was addressed by Mr. Hicks, Cambridgeshire Community Education Officer, on the subject of the Youth Club. After discussion it was suggested that a meeting should be called of all interested parties for a full and wide ranging discussion of the future of the Youth Club and the Farm House. The Parish Council endorsed this and suggested that a good opportunity for this discussion would be provided by the Annual Parish Meeting, to be held on Thursday 18th April at 7.30pm in the Village Hall. Anyone with an interest in the Youth Club or the Farm House is strongly urged to come to the Annual Parish Meeting - further information appears separately in this issue of the Bar Hill News.

TREES

Felling of the trees near Acorn Avenue has been completed, but unfortunately, it has been found that several willow trees in the Village Park will also have to be felled, as their roots are encroaching on a nearby building. The Council always regrets having to fell established trees, but there is no alternative. Replacement trees will be planted in a more suitable situation. The tree planting scheme for the entire village continues with almost 1000 trees having been planted this winter. Our thanks are due to Mr. Binge and his staff for their hard work in this context

BUS PASSES

As from 1st April concessionary bus passes for retired residents will be available from sub post offices in the South Cambs. District Council area. The cost is to increase to £6.30 per pass, but the Parish Council will continue to meet the cost in full for retired residents of Bar Hill. Please contact Miss Lynn Moss, 7 Hanover Close, (tel. 81341) for further information.

LETTER BOXES

The Clerk has written to the Post Office to ask for more post boxes to be installed in Bar Hill. Details of their reply will be given as soon as possible.

The next meeting of the Parish Council will be on Tuesday 16th April at 7.30pm in Bar Hill School.

CHILD CARE IN BAR HILL

As a working parent I would like to see a children's Day Care Centre for after school and holidays in Bar Hill, leaving our much needed minders free for younger children. The centre should be well organised, offering many activities to our children - most importantly it should be a fun place, to which they will enjoy going. Currently I am talking with the Social Services for their input and guidelines, but progress is slow. Would you work if there were adequate care facilities for your children?

If you are at all interested or have any comments please contact me on 80702 or at 10 Little Meadow.

BRIDGE CLUB

Bar Hill Bridge Club lays its cards on the table-we are looking for a full house. To attract new members, we now play DUPLICATE BRIDGE every Wednesday, 7 - 10pm at the local school.

The atmosphere is very friendly (with coffee provided for a mid-evening break), yet the bridge is stimulating and exciting. There is no obligation to join the club straightaway - newcomers and visitors are most welcome on a pro rata basis. Whether you are a novice or a fanatic, we would be most interested to hear from you.

Why not give us a try? Please phone Tom Fleming (CH 80802) or Gina Rexworthy (CH 81430) for further details.

ALLIANCE IN ACTION - MAY 85 COUNTY COUNCIL ELECTIONS

Following an Adoption Meeting held on 12th March 1985, Lady Christine Bondi has been chosen as the Alliance Candidate in the forthcoming election for the Bar Hill/Girton Division.

Lady Christine was born in Ealing in 1923, and brought up and educated there. Her link with Cambridge however, was first forged in 1941, when she read Mathematics at Newnham College, and aside from two years war service, remained here until 1954, when she moved with her family to Surrey. She is married to Sir Herman Bondi, now Master of Churchill College, and they have five grown-up children.

Although this is her first foray into active politics, she is a founder member of the SDP, and has been involved with the Liberal Party in the Surrey area. Her background is firmly based in education. She has been associated with the Confederation for the Advancement of State Education, and in 1963 started teaching part-time at first, but eventually full time.

In 1976 she became Senior Tutor at Reigate Sixth Form College, a post she held until moving back to Cambridge in July 1984. During the period 1974 - 1984 she combined her teaching work with that of a magistrate. An experience she has described as "illuminating and humbling". The interests of this division, people's needs and problems are therefore uppermost in her concerns as a prospective councillor, rather than the doctrinaire attitudes so often prevalent in local politics. As she herself says:

"All age groups are well represented in this area and I would like to feel that all are my concern"

If you would like further information about the Alliance, or the campaign, please contact one of the following local organisers:-

BAR HILL COMMUNITY USERS ASSOCIATION

April sees the beginning of a new term in school. Because of the lighter nights and summer activities i.e. cutting the grass, grappling with the outside painting etc, we are not planning any evening courses other than Ladies Get Fit on Monday evenings at 7.30pm. We are also suspending the monthly 'one-off' evenings during this term. Although there won't appear to be many extra activities going on in the school don't let that mislead you. I shall be sitting with wet towels to my head waiting for inspiration - or your suggestions - for next September onwards activities. I have one or two ideas but please let me have yours. After all your community school operates for your benefit. These last two terms have seen Flower Arranging, Social Dancing, Holiday German, Embroidery, Self Defence and Get Fit courses. Our 'one-off' evenings have covered cooking, antiques, knitting, and gardening. Please let me have your thoughts so that I may plan ahead.

Of course the summer term will be seeing the usual clubs operating in the school. If you are interested in joining any of them please consult the list hanging in the school entrance hall or ring me on Crafts Hill 80332 and I'll do my best to put you in touch with the right person. Remember also that I am always in school on Tuesday evening between 7.00 and 8.00pm if you wish to see me about starting a new club or course.

I look forward to hearing your suggestions for next autumn in your community school.

ELECTION FORUM

An interesting and informative debate on educational topics took place on March 12th in the Church Centre.

A panel of educationalists comprising: Lady Christine Bondi, the Alliance County Council candidate for this division; Mr. Tom Flanagan, Local District Councillor; Mr. Mike Dyson, deputy Head of Longstanton Primary School and Mr. David Rooney, Warden of Swavesey Village College (Chairman), faced questions from members of the public.

The two major topics which arose during the debate were: firstly, the cutbacks in education, which the meeting felt were savage and having a detrimental effect across the whole spectrum of education and secondly, the current industrial action taken by teachers. On this subject both the panel and the meeting took a sympathetic line, recognising the reluctance of teaching staff to disrupt their pupil's education, whilst drawing attention to the state of the education system.

All those who attended the meeting felt it was a most stimulating and successful evening.

ANNUAL PARISH MEETING

This year's Annual Parish Meeting will be held on Thursday 18th April at 7.30pm in the Village Hall. Everyone is welcome to come and exchange ideas, listen to reports of the activities of the various village organisations and to join in making plans for the future. This year's meeting is of particular importance to anyone with an interest in the welfare of our teenagers, as one of the principal matters to be discussed will be the present and future position of our Youth Club. Various suggestions have been made both for revitalising the Youth Club itself and for widening the use of the Farm House premises to other clubs and societies. If you have any interest in either of these spheres, please do come to the Annual Parish Meeting and put your ideas forward - there will be an open forum for full discussion on this matter.

Our guest speaker will be Mrs. Elizabeth Evans, Chairman of the Board of Governors of Swavesey Village College, who will also be willing to answer questions on the running of the College. Local councillors will also be present and there will be ample opportunity to question them on matters of interest and concern. As usual, light refreshments will be provided, free of charge.

All village organisations are invited to send a representative to the meeting to give a short report on their organisation's activities during the past year and their future plans. Please contact the Deputy Clerk, Christine Avery, on Crafts Hill 81233, in advance of the meeting if you wish to make a report.
